

## Copyright Assignment and Affirmation of Originality

The author(s) hereby affirm(s) that the manuscript entitled \_\_\_\_\_

\_\_\_\_\_

is original, that it has not been published before, in total or in part, and is not currently being submitted or considered elsewhere for publication in total or in part.

Justification for duplicate publication and permission to republish copyrighted material must be included with the covering letter.

In signing this form the author(s) relieve(s) the publisher, BHIDAPA and Interdisciplinary Journal of Psychotherapy, of all responsibility towards a third party for any claim that may be advanced, including plagiarism or unlawful utilization of another's work, and will accept liability for any damage that the BHIDAPA and Interdisciplinary Journal of Psychotherapy could suffer.

The principal author must sign below on behalf of all the co-authors, for the above work to be considered for publication, and thereby assigns and transfers to the BHIDAPA and Interdisciplinary Journal of Psychotherapy, all rights related thereto.
